TRUMP PLAZA ASSOCIATES
NOTES TO FINANCIAL STATEMENTS - REVISED
June 30, 2005
(Unaudited)

3/16/06

NOTE 1 - GENERAL

Organization and Operations

Trump Plaza Associates, a New Jersey Limited Liability Corporation ("Plaza Associates" or the "Company") is 100% beneficially owned by Trump Entertainment Resorts Holdings, L.P. (formerly known as Trump Hotels & Casino Resorts Holdings, L.P. "THCR"), a Delaware Limited Partnership ("TER Holdings"). Trump Entertainment Resorts, Inc. (formerly known as Trump Hotels & Casino Resorts, Inc.), a Delaware corporation ("TER") currently beneficially owns an approximately 76.5% profits interest in TER Holdings, as both a general and limited partner, and Donald J. Trump ("Mr. Trump") owns directly and indirectly an approximately 23.5% profits interest in TER Holdings, as a limited partner. In addition TER Holdings beneficially wholly owns:

- Taj Mahal Associates, LLC ("Taj Associates"), which owns and operates the Trump Taj Mahal Casino Hotel (the "Taj Mahal"), located on the northern part of Atlantic City's Boardwalk.
- Trump Marina Associates, LLC ("Marina Associates"), which owns and operates the Trump Marina Hotel Casino ("Trump Marina"), located in Atlantic City's marina district.
- Trump Indiana, Inc., which owns and operates a riverboat gaming facility at Buffington Harbor, on Lake Michigan in Gary, Indiana ("Trump Indiana").

Plaza Associates owns and operates the Trump Plaza Hotel and Casino ("Trump Plaza"), an Atlantic City hotel and casino. Trump Plaza, the Taj Mahal, and Trump Marina are collectively referred to as the "Trump Atlantic City Properties." The Atlantic City market is very competitive, especially since the opening of the Borgata Casino Hotel and Spa by a joint venture of MGM Mirage and Boyd Gaming in Atlantic City's marina district in July 2003, and is anticipated to become more competitive in the future. Plaza Associates derives its revenue from casino operations, room rental, food and beverage sales, and entertainment revenue.

For an organizational chart of TER and its subsidiaries, see Exhibit 99.2 to TER's Current Report on Form 8-K filed with the Securities and Exchange Commission (the "SEC") on May 26, 2005.

The casino industry in Atlantic City is seasonal in nature with the peak season being the spring and summer months. Accordingly, results of operations for the three and six months ended June 30, 2005 and 2004 are not necessarily indicative of the operating results for a full year.

Reclassifications

Certain reclassifications and disclosures have been made to prior period financial statements in order to conform to the current period presentation.

NOTE 2 - REORGANIZATION AND EMERGENCE FROM CHAPTER 11

Chapter 11 Reorganization

On November 21, 2004, Trump Hotels & Casino Resorts, Inc. and certain of its subsidiaries (collectively, the "Debtors") filed voluntary petitions for relief under chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the District of New Jersey (the "Bankruptcy Court"), as part of a pre-arranged plan of reorganization. While in bankruptcy, the Debtors continued to manage their properties and operate their businesses as "debtors-in-possession" under the jurisdiction of the Bankruptcy Court.

On April 5, 2005, the Bankruptcy Court entered an order confirming the Second Amended Joint Plan of Reorganization, dated as of March 30, 2005, of the Debtors, as amended (the "Plan"). The Plan became effective on May 20, 2005 (the "Effective Date"), at which time all material conditions to the Plan were satisfied and the Debtors emerged from chapter 11.

For a summary of certain actions that occurred as of the Effective Date and the distributions that were made to holders of THCR's securities under the Plan, see TER's Current Report on Form 8-K, filed with the SEC on May 26, 2005.

Following the Company's consummation of the Plan, the Company's board of directors appointed James B. Perry, a member of TER's board of directors, as TER's Chief Executive Officer and President on July 6, 2005 and July 19, 2005, respectively. On July 19, 2005, Mark Juliano was appointed as the Company's Chief Operating Officer.

Basis of Presentation

Subject to the foregoing, the accompanying financial statements have been prepared without audit. In the opinion of management, all adjustments, consisting of only normal recurring adjustments necessary to present fairly the financial position, the results of operations and cash flows for the periods presented, have been made.

The accompanying financial statements have been prepared pursuant to the rules and regulations of the Casino Control Commission of the State of New Jersey (the "CCC"). Accordingly, certain information and note disclosures normally included in financial statements prepared in conformity with accounting principles generally accepted in the United States have been condensed or omitted. These financial statements should be read in conjunction with the financial statements and notes thereto included in Plaza Associates' December 31, 2004 Quarterly Report as filed with the CCC.

As described above, from the filing of the Debtors' chapter 11 petition to the Effective Date, THCR and its subsidiaries operated as debtors-in-possession under the jurisdiction of the Bankruptcy Court. Accordingly, Plaza Associates' financial statements for periods prior to its emergence from

chapter 11 were prepared in accordance with the American Institute of Certified Public Accountants Statement of Position 90-7, "Financial Reporting by Entities in Reorganization under the Bankruptcy Code" ("SOP 90-7"). SOP 90-7 required the Company to report pre-petition liabilities that were subject to compromise separately on its balance sheet at an estimate of the amount that would ultimately be allowed by the Bankruptcy Court. SOP 90-7 also required separate reporting of certain expenses relating to the Debtors' chapter 11 filings as reorganization items.

Upon its emergence from chapter 11, the Company adopted fresh-start reporting in accordance with SOP 90-7. Under fresh-start reporting, a new entity was deemed to have been created for financial reporting purposes and the recorded amounts of assets and liabilities were adjusted to reflect their preliminary estimated fair values. The term, "Predecessor Company" refers to the Company for periods prior to and including May 19, 2005, and the term "Reorganized Company" refers to the Company for periods on and subsequent to May 20, 2005. As a result of the adoption of fresh-start reporting, the Company's post-emergence financial statements are generally not comparable with the financial statements of the Predecessor Company prior to its emergence from bankruptcy, including the historical financial statements included in this quarterly report.

Financial Reporting Under the Bankruptcy Code

From November 21, 2004 to May 19, 2005, the Company accounted for its operations under SOP 90-7. In accordance with SOP 90-7, certain expenses incurred and benefits realized by the Company during the bankruptcy period were recorded as reorganization expenses in the accompanying statements of operations. In order to record its debt instruments at the amount of the claims expected to be allowed by the Bankruptcy Court in accordance with SOP 90-7, as of the chapter 11 petition date, the Company wrote off as reorganization expenses its capitalized deferred financing fees associated with the 11.25% First Mortgage Notes due 2006 of Trump Atlantic City Associates and certain of its affiliates (the "TAC Notes"). Reorganization expenses also include professional fees and other expenses directly associated with the bankruptcy process.

The following table summarizes reorganization income for the six months ended June 30, 2005:

	<u>Predecessor Company</u>
Professional fees and expenses	\$ (20,000)
Net fresh start reorganization gain	<u>17,487,000</u>
	<u>\$17,467,000</u>

In order to recognize the full impact of the recapitalization at the operating level, we have an on-going analysis being prepared by independent appraisers. At the completion thereof, we anticipate further refinements will be made to this report.

NOTE 3 - FRESH START ACCOUNTING

THCR and its subsidiaries adopted fresh-start reporting upon its emergence from chapter 11 on the Effective Date in accordance with SOP 90-7. THCR and its subsidiaries are required to apply the fresh-start provisions of SOP 90-7 to its financial statements because it has concluded that (i) the reorganization value of the assets of the emerging entity immediately before the date of confirmation was less than the total of all post-petition liabilities and allowed claims and (ii) the holders of existing voting shares of THCR immediately before confirmation (i.e., the holders of shares of the common stock of the Predecessor Company (the "Old Common Stock") that were issued and outstanding prior to the commencement of the chapter 11 proceedings) received less than 50 percent of the voting shares of the emerging entity. SOP 90-7 sets forth the principles regarding the date at which a company that has emerged from a chapter 11 proceeding should apply fresh start reporting to account for the effects of the plan of reorganization. Under SOP 90-7, application of fresh start reporting is required on the date on which the plan of reorganization is confirmed by a bankruptcy court, but SOP 90-7 further provides that fresh start reporting should not be applied until all material conditions are satisfied. All material conditions to the Plan were satisfied as of May 20, 2005.

Fresh start accounting requires that the Company adjust the historical cost of its assets and liabilities to their fair value as determined by the reorganization value of the Company. Furthermore, the reorganization value must be allocated among the reorganized entity's net assets in conformity with procedures specified by Statement of Financial Accounting Standards ("SFAS") No. 141, "Business Combinations" ("SFAS 141"). The Company engaged an independent appraiser to assist in the allocation of reorganization value to the Reorganized Company's assets and liabilities by determining the fair market value of the Company's property, equipment, intangible assets and certain obligations related to its capital leases. The independent appraiser provided an allocation of the reorganization value to the Reorganized Company's assets and liabilities by determining the fair market value of the Company's property and equipment and intangible assets.

Accordingly, Plaza Associates recorded the following as intangible assets at May 20, 2005:

Trademarks	\$62,000,000
Goodwill	19,347,000
Leasehold Interests.....	<u>50,000</u>
Total	<u>\$81,397,000</u>

The trademarks have an indefinite life; accordingly, trademarks are not subject to periodic amortization but are reviewed annually for impairment. Goodwill is reviewed annually for impairment.

NOTE 7 - COMMITMENTS AND CONTINGENCIES

Legal Proceedings

On November 21, 2004, the Debtors filed voluntary petitions for relief in the Bankruptcy Court under chapter 11 of the Bankruptcy Code. As debtors-in-possession, the Debtors were authorized under chapter 11 to continue to operate their businesses while under the jurisdiction of the Bankruptcy Court. The Bankruptcy Court entered an order confirming the Plan on April 5, 2005, as amended. The Debtors emerged from bankruptcy on May 20, 2005. Although the Company has emerged from bankruptcy, the Company is still in the process of resolving various claims and other litigation in connection with the Plan, which may continue for the foreseeable future. At this time, the Company cannot predict the outcome of such claims or litigation or their effect on the Company's business.

DLJMB had objected to the Plan and asserted a claim for \$25 million, plus expenses of at least \$1 million, against the debtors with respect to a proposed \$400 million equity investment by DLJMB in connection with a potential recapitalization of the debtors pursued by the debtors and DLJMB in 2004.

The debtors are evaluating DLJMB's claim and reserves all rights with respect thereto (including the right to dispute the amount of such claim with the Bankruptcy Court). During the chapter 11 cases, the debtors and DLJMB stipulated that, subject to certain conditions, DLJMB would withdraw its objection to the Plan and DLJMB's claim would be litigated following the Effective Date. At this time, the debtors cannot predict the outcome of DLJMB's claim or its effects on the Company's business.

401(k) Plan Participant Litigation

On February 8, 2005, certain individuals filed a complaint in the United States District Court for the District of New Jersey, Camden Division, against certain persons and organizations that included members of the Trump Capital Accumulation Plan Administrative Committee. In their complaint, the plaintiffs alleged, among other things, that such persons and organizations, who were responsible for managing the Trump Capital Accumulation Plan, breached their fiduciary duties owed to the plan participants when THCR Common Stock held in employee accounts was allegedly sold without participant authorization if the participant did not willingly sell such shares by a specified date in

accordance with the plan. The plaintiffs brought this suit under the Employee Retirement Income Security Act of 1974, as amended, on behalf of themselves and certain other plan participants and beneficiaries and sought to have the court certify their claims as a class action. In their complaint, the plaintiffs also sought, among other things, damages for losses suffered by certain accounts of affected plan participants as a result of such allegedly improper sale of THCR Common Stock and reasonable costs and attorneys' fees. The case is in its initial phase with discovery anticipated to be commenced September, 2005. At this time, the Company cannot predict the outcome of such litigation or its effect on the Company's business.

In addition to the foregoing, Plaza Associates and certain of its employees are involved from time to time in various legal proceedings incidental to the Company's business. While any proceeding or litigation contains an element of uncertainty, management believes that the final outcomes of these matters are not likely to have a material adverse effect on the Company's results of operations or financial condition. In general, the Company has agreed to indemnify such persons, and its directors, against any and all losses, claims, damages, expenses (including reasonable costs, disbursements and counsel fees) and liabilities (including amounts paid or incurred in satisfaction of settlements, judgments, fines and penalties) incurred by them in said legal proceedings absent a showing of such persons' gross negligence or malfeasance

NOTE 8 - NJSEA SUBSIDY AGREEMENT

On April 12, 2004, the twelve Atlantic City casinos, including Plaza Associates, executed an agreement (the "NJSEA Subsidy Agreement") with the New Jersey Sports & Exposition Authority ("NJSEA") and the Casino Reinvestment Development Authority ("CRDA"). The NJSEA Subsidy Agreement provides that the casinos, pro rata according to their gross revenues, shall: (1) pay \$34 million to the NJSEA in cash in four yearly payments through October 15, 2007 and donate \$52 million to the NJSEA from the regular payment of their CRDA obligations for use by the NJSEA through 2008 to enhance purses, fund breeders awards and establish account wagering at New Jersey horse racing tracks; and (2) donate \$10 million from the regular payment of their CRDA obligations for use by the CRDA as grants to such other North Jersey projects as the CRDA shall determine. The donation of \$62 million of CRDA obligations is conditioned upon the timely enactment and funding of the Casino Expansion Fund Act, which was enacted effective August 25, 2004 and established the Atlantic City Expansion Fund. The Casino Expansion Fund Act further identifies the casino hotel room occupancy fee as its funding source and directs the CRDA to provide the fund with \$62 million and make that amount available, on a pro rata basis, to each casino licensee for investment. By statute, as amended as of January 26, 2005, such funds shall be invested in eligible projects in Atlantic City which, if approved by the CRDA by August 25, 2006, add hotel rooms, retail, dining or non-gaming entertainment venues or other non-gaming amenities including, in certain circumstances, parking spaces or, if approved thereafter, additional hotel rooms. Plaza Associates has estimated its portion of the industry obligation at approximately 6.5%.

The NJSEA Subsidy Agreement further provides for a moratorium until January 2009 on the "conduct" of casino gaming at any New Jersey racetrack (unless casinos controlling a majority of the hotel rooms operated by the casinos in Atlantic City otherwise agree), and a moratorium until January

2006 on the introduction of casino gaming at any New Jersey racetrack.
